

Emergency Call

When you become unable to continue the race further only due to the injury or medical condition, please make the emergency call as follows.

Scan the above QR code on your bib number using your smartphone camera.

Open the emergency APP and fill in the following information

- Condition(select)
- Bib number
- Phone number
- Name

And tap on "CALL FOR STAFF"

Your emergency call details and GPS location will be relayed to headquarters, and the emergency response will be initiated.

✓Select.
Urgent: Altered mental status.
Semi-urgent: Unable to walk.
