2. Press Activity Guidelines

2-1. Environmental Protection Rules

- All the same rules as racers apply to Press/Media.
- When entering the race course area, you (press) must brush off all mud and plant seeds from the sole of your shoes using the brushes provided at the aid stations. This is to prevent the spread of invasive species and non-native seeds as well as to ensure that vegetation from urban areas are not carried into the environmentally sensitive high mountain regions. Be sure to follow this rule.
- You must stay on the trails at all times. Stepping off the trails or taking shortcuts around corners and switchbacks is strictly prohibited.
- Picking up or damaging vegetation, animals, fungi and rocks along the race course as well as within overall race area is prohibited.
- Do not throw out garbage along the course or at the aid stations. All garbage must be carried home with you.

2-2. Photo/video shooting rules

- Be sure to wear press pass and purple bibs distributed at the press registration desk when conducting press activities.
- Press activities within race course (trail) is allowed only for the official media. Press activities is permitted only for registered official photographers wearing black bibs. No other press is allowed.
(Example of press activity within race course: Run alongside or follow racers to take photos or shoot videos.)
- Please be courteous to other trail users (e.g. hikers)
- Be careful along the course and do not step on plants during your press activities.

-Do not park in prohibited areas.

-You must show your **media/press parking permit** when using the parking lots.

-For the start area, use **Kodomo-no-kuni Parking "Designated Parking Lot"**.

-For the finish area (including Press Center), use **Fuji Hokuroku Park "Designated Parking Lot"**.

-Photographing/video shooting at aid stations is permitted only at "F1 Fujinomiya" and aid stations where supporters are allowed.

-Photographing/video shooting at other aid stations where supporters are now allowed is permitted only for official photographers wearing black bibs. No other media is allowed. Be sure to use supporter parking lots when parking cars at the permitted aid stations.

-Be prepared for cold/bad weather by bringing your own warm clothing, rain jacket and pants, headlamp, etc.

-The usage of drones is prohibited other than by the official race photographer.

-Please bring your own food/drinks as the aid station food is only for racers and not available to press/media staff.

-Excessive cheering for racers, support for racers, or any activity which would disturb racers, supporters, staff, and volunteers are strictly prohibited. If such activity is detected or reported, you may be requested to stop your press activities.

Examples of prohibited activities) Talking to racers, supporters, staff, and volunteers for purposes other than press activity to cover an aid station, supplying food or drink to racers, and remaining in an aid station for a long period of time.
